ABOUT US

[Local Three](#) is a killer neighborhood restaurant located in west Buckhead (think West Paces Ferry and Northside Parkway). We opened up in December of 2010, and people seem to genuinely enjoy what we've got going on. The Bourbon Review has declared us one of [America's Best Bourbon Bars](#) since 2014.

The two clubs are private and members only so shhh!

Cibus. Familiare. Potus. Food. Friends. Drink.

Simple, yet incredibly powerful, Warhorse Investments provides the best of each with the perfect place for members and their guests to gather. Warhorse was founded in July 2017 on the idea of creating a place for people to have private conversations in a unique place full of character and excellent culinary offerings.

We are opening an extension of Warhorse in March 2024 called Seahorse Advisors. (The Seahorse logo is still in progress.) As an authentic modern sushi concept, the members-only restaurant will have approximately 24-30 seats to expand our offerings of distinctive and private settings for connecting and consuming.

[Unsukay Concepts, Inc.](#) has been in operation since 2005 and currently manages five different full service restaurant concepts including catering in the greater Atlanta area. We pride ourselves on being a valuable member of all our communities offering more than just food and beverages, but rather a best in class dining experience for each and every one of our guests.

At Unsukay, we believe that people matter most and we treat our team like human beings, not faceless, nameless cogs in a machine that churns out unimaginative food like some sort of culinary assembly line.

If you believe you could excel in this role, we encourage you to apply. We are committed to considering a broad range of candidates, including those with diverse work experience and backgrounds.
