

Server at Roshambo

Tired of playing hide and seek with the things you need to do your job? Spoons, coffee cups, steak knives, check presenters...we've got brand new everything at [Roshambo](#), our unique interpretation of what a 21st century diner should be (without being open around the clock). Named after the classic game "Rock, Paper, Scissors," Roshambo opened November 2022 and offers breakfast, lunch and dinner in the Peachtree Battle neighborhood.

At the [Unskay](#) restaurant group ([Muss & Turner's](#), [Local Three](#), [MTH Pizza](#) and [Roshambo](#)), we take what we do seriously, but

we don't take ourselves too seriously. We believe that people matter most and we treat our motley crew like human beings, not faceless, nameless cogs in a machine that churns out unimaginative food like some sort of culinary assembly line. Our seasonal menus follow one mantra, "You can't argue with delicious!"
