

Local Three Kitchen & Bar is hiring full-time and part-time bartenders. Make between \$24-\$50/hr!

[Local Three](#) is on the hunt for seasoned bartenders with a passion for making great drinks and creating well-balanced experiences. We are looking for someone who loves wine, whiskey, cocktails and beer as much as we do and wants to help curate our seasonal cocktail menus, each with a different pop culture related theme... But first...let's start with the introductions:

Hi. We're Local Three. We're a killer neighborhood restaurant located in west Buckhead (think West Paces Ferry and Northside Parkway). We're a part of the [Unsukey](#) restaurant group ([Muss & Turner's](#), [MTH Pizza](#) and [Roshambo](#)). We opened up in December of 2010, and people seem to genuinely enjoy what we've got going on...The Bourbon Review has declared us one of [America's Best Bourbon Bars](#) since 2014.

At Local Three we take what we do seriously, but we don't take ourselves too seriously. We believe that people matter most and we treat our motley crew like human beings, not faceless, nameless cogs in a machine that churns out unimaginative food like some sort of culinary assembly line. We believe amazing food should be enjoyed with an amazing beverage (or two), which is why we have over 400 worldwide wines ranging from California to Slovenia and from \$14 per glass to \$1400 per bottle. Our nationally recognized whiskey list features more than 600 options, including 16 barrel selections that are unique to our restaurants alone.

WHAT WE'RE LOOKING FOR

Someone who has 2-3 years bartending experience engaging with guests in a professional serving environment and an outgoing personality to help us continue as a favorite restaurant of the west Buckhead community. He or she must have intermediate wine and spirit knowledge. We're really just looking for someone who is excited to nerd out with us about all things beverage related.

If you believe you could excel in this role, we encourage you to apply. We are committed to considering a broad range of candidates, including those with diverse work experience and backgrounds. Whether you're new to the hospitality industry, returning to work after a gap in employment or looking to take the next step in your career path, we will be glad to have you on our radar.
