

Line Cook MTH Pizza

Well, well, well... Greetings job seeker, and welcome to the...
::don't say Thunderdome::
::don't say party pal::
...HIRING AD! Welcome to the hiring ad!

If you're reading this, right here and now, then surely you MUST be a certified pizzaiolo. No? Ok, that's cool. That's cool. Maybe you're a line cook with some decent experience in a solid kitchen, or two (or ten)? No? Ok, heard that. Let's test the algorithm then. You're here because you believe that putting pineapple on pizza should be a punishable crime? We knew it.

Alright, before we go any further, we should probably tell you a little bit about who we are: Hi. We're [MTH Pizza](#).

We're a killer neighborhood pizza joint located in Smyrna, Georgia (think Atlanta Road/285). We're a part of the [Unsubay](#) restaurant group ([Muss & Turner's](#), [Local Three](#) and [Roshambo](#)). We opened up in October of 2019, and people seem to genuinely enjoy what we've got going on. The pandemic has been a wild ride, but we've held on strong. And for that we're thankful beyond measure.

At MTH we take what we do seriously, but we don't take ourselves too seriously. We believe that people matter most and we treat our motley crew like human beings, not faceless, nameless cogs in a machine that churns out unimaginative food like some sort of culinary assembly line. Our seasonal menus follow one mantra, "You can't argue with delicious!"

Speaking of food... We did mention that we're looking for a line cook, right?
